Albergaria-a-Velha, Aveiro, Portugal

Resumo

I am very hardworking and focused on my results. I periodically seek knowledge to improve my skills and evolve quickly from the proposed challenges., I am a very simple person to live with who am always available to solve problems and develop solutions.

Experiência

Bliss Applications
Front-End Developer
junho de 2023 - Present (5 meses)
Porto, Portugal

Cognyte
Junior Front-End Developer
novembro de 2021 - maio de 2023 (1 ano 7 meses)
Florianópolis, Santa Catarina, Brasil

- Create new features in the system, based on new design.

- Help the QA team with system tests.

- Code review.

- Bug fix.

- Help new devs to get comfortable with the code and new features.

Denox/Maxtrack
Junior Front-end Developer
março de 2021 - outubro de 2021 (8 meses)

- I worked on the development of features in several of the company's main products, from coding to feature delivery. Always focusing on quality and performance.

BOM
